

Another free event from Newham & District Landcare group

habitat For Wildlife

with Miles Geldard

What is it?

How do we judge it's value?

How can we make it better?

Miles Geldard is a naturalist and local fauna expert. During this workshop he will share his knowledge on the design, construction, installation and monitoring of nest boxes for wildlife. In addition, he will impart key skills and tools you may use to conduct a habitat assessment on your own property.

When : Sunday March 24th 10-2

Picnic lunch provided

Where: 370 Hennerbergs Lane, Newham

Rsvp essential (by March 21)
