

# All about Platypus

Join us for this presentation by **Geoff Williams, co-founder of the Platypus Conservancy in 1994**, a non-profit environmental organization set up to conserve the Platypus. This iconic species was listed in 2021 as 'vulnerable' in Victoria, and its freshwater habitats.

Geoff is an enthusiastic and entertaining advocate for the Platypus and our waterways. We will learn much, including the simple things each of us can do to assist in the survival of this species, listed as 'vulnerable' in Victoria in 2021.
