

BUSHFIRE RISK & BIODIVERSITY

Information Night & Field Day

Can you manage your property for bushfire risk and biodiversity conservation?

YES, YOU CAN!

Find out how to do it at these Newham & District Landcare Events run with the CFA Vegetation Management Team. Includes a briefing on the seasonal update and an opportunity to begin your summer fire preparedness.

Event 1

Friday 25th October
(6:30 drinks for 7-9pm at Newham Hall)
CFA Vegetation Management Team presents "Landscaping for Bushfire" guidelines.
No registration required.

Event 2

Saturday 26th October
(Field Day 10am-3pm on a local property) with experts listed below.
Registration required at *Eventbrite* (See QR code)

Experts:

- CFA's Daniel Idczak and Andrew Govanstone (*State-wide Vegetation Management Team*)
- Local Fire Ecologist David Cheal (*Honourary research fellow, Federation University*)
- Local Fauna Ecologist Tanya Loos (*Science Communicator & Author*)

Event 2 Registration
