**Rsvp to Helen:**

**[orseda@outlook.com](mailto:orseda@outlook.com)**

*Tanya has over twenty years of experience in the natural resource management sector, with a broad suite of skills including flora and fauna surveys, project management, stakeholder liaison and her biggest love: communications. Tanya writes books and articles about wildlife, supports her local wildlife rescuers with vital ecological information and is on ABC Central Victoria radio fortnightly with a 'Backyard Critters' segment.*
