

Newham & District Landcare Group

Library contents

This is a list of books and other publications now stored at the Kny property, "Kolara", 279 Sheltons Road, Rochford (off Bolgers Lane, Newham). Telephone Karl Kny on 0409 543 061.

Thanks to Penny Roberts for collecting and storing until Sept 2020.

Compiled 2012 and updated every year since 2017 by Helen Scott

It is worth noting that many and more up-to-date resources are available online, some websites are shown. All links are [blue](#)

Victorian Resources Online <http://vro.agriculture.vic.gov.au/dpi/vro/vrosite.nsf/pages/vrohome> – gateway to a wide range of natural resources information and associated maps at both statewide and regional levels across Victoria. Statewide natural resources information can be accessed via the Sitemap for the following categories Climate, Landform, Land Use, Soil, Water, Land and Water Management, Marine, and by Catchment Management Regions.

Victorian Landcare Gateway <https://www.landcarevic.org.au/> – websites established as a resource for Landcare in Victoria.

Landcare Australia <https://landcareaustralia.org.au/> – a national resource for Landcare.

Agroforestry, Revegetation and Farming, Soils

Agroforestry in Australia & New Zealand: the growing of productive trees, by R Reid and G Wilson. Vic, 1986. 255p

Agroforestry News no 56 & 57, 2006

(Now Agroforestry News – see <http://www.agroforestry.net.au/>)

A web of trees: reconnecting the landscape and the community: the Yan Yan Gurt Creek story. Birregurra, Otway Forestry Network, nd. (re farm forestry) 8p

Forest farming, by JS Douglas & R H de Hart.. London, Watkins, 1976. 197p

My place: bare paddock to bush, re-establishing native vegetation in Central Victoria. Marion da Costa, 2014. 54p

Trees for shelter: windbreaks for Australian farms. Rural Industries and R & D Corporation, 2003, reprint 2005. 15p

Trees on the treeless plains: revegetation manual for the volcanic landscapes of Central Victoria, David Holmgren. Hepburn, 1997. 231p

Victoria Felix: improving rural land with trees, by R Campbell, R Chandler, G Thomas. DCE and Monash Univ, 1988. 115p

Growing trees on Australian farms, by H. Brown & N. Hall. 1968. 397p

Recreating the country: ten key principles for designing sustainable landscapes, by Stephen Murphy. 2nd rev.ed. em Press Publishing, 2024. 198p

Recreating the country: a blueprint for the design of sustainable landscapes, by Stephen Murphy. em Press Publishing, 2009. 149p. 2 copies. Website at www.recreatingthecountry.com.au/

Can I be paid for farming nature? Free information seminar for landholders, 28 June 2008. PPWCMA. Pamphlets in folder

Back from the brink: how Australia's landscape can be saved, by Peter Andrews. ABC Books, 2006. 244p

Native vegetation and property management: a guide to research and resources, by Exchange: National Vegetation knowledge Service. Yarralumla, ACT, Greening Australia, 2005. 207p

Bush Tracks: shortcuts to vegetation information for natural resource management. Exchange, for Greening Australia, 2004. 288p

Revegetation techniques: a guide for establishing native vegetation in Victoria, by K Corr. Greening Australia Victoria, 2003. 130p

Land classing kit for farmers, by N.M. Baxter & John Williamson. Bendigo, Agriculture Victoria, 2002, copyright Vic Dept of Natural Resources and Environment. 27p

Partnering with rural industries for sustainable production. Canberra, Land & Water Australia, nd. 16p

Farm planning manual: develop a whole farm plan. Vic Dept Primary Industry, 2000. 148p

News and Views: North Central Victoria's farming newsletter, 2006-2008.

Farm Safety. Workcare. Video with booklets 2003. 2 copies

CD Rom – Managing safety in your workplace. 2003.

For more up to date info see www.worksafe.vic.gov.au/

Farm chemical users course notes, ChemCert Australia (Vic) Inc. 2002. 170p

Dung beetle dictionary: a field guide to introduced dung beetles in Australia. Landcare Australia 2008. 55p

Dung beetle resource pack: nature's amazing regulators, compiled by Barbara Pearce, Lucyvale Better Beef Group, 2008. Includes 2 DVD, and extra CD/DVD set. Print files also online at www.landcarevic.org.au/groups/northeast/dungbeetle/dung-beetle-resource-package/

Horse properties – a management guide. Jane Myers and Stuart Myers, Equiculture, 2012. 49p. Part of Equiculture and Sustainability Horsekeeping series. 2 copies

Linking good land management with good horse health. SA Dept Agriculture and Melbourne Water

SOILS

Soil health guide, North Central Victoria, 2nd ed. NCCMA, 2024. 52p This and other resources eg videos at [Soil Health Guide | North Central Catchment Management Authority \(nccma.vic.gov.au\)](http://nccma.vic.gov.au/soil-health-guide)

Know your soils. Centre for Land Protection Research. DNRE, 2001. 3 booklets
(More at <http://vro.agriculture.vic.gov.au/dpi/vro/vrosite.nsf/pages/soil-home>)

Healthy Soils for Sustainable Farms Programme. Land & Water Australia, nd. 12p

Biodiversity and Biolinks, Conservation, Environment, Sustainability

Macedon Ranges Shire Council biodiversity strategy 2018. 142p – online only at
www.mrsc.vic.gov.au/About-Council/Our-Council/Strategies-Plans/Biodiversity-Strategy

Macedon Ranges Shire Council environment strategy. 2016. 98p. (also 3 copies of 2002? version) More information and links at www.mrsc.vic.gov.au/About-Council/Our-Council/Strategies-Plans

Caring for country: a sustainable land management guide for rural living in north central Victoria. 2nd ed. North Central Catchment Management Authority, 2013. 165p. Also online at

[http://caring_for_country_sustainable_land_management_guide_-_final_web_version.pdf/](http://caring_for_country_sustainable_land_management_guide_-_final_web_version.pdf)

Caring for country: a guide for sustainable land management in Central Victoria. North Central Catchment Management Authority, 2006. 86p. 2copies

More resources at www.nccma.vic.gov.au/

Life on the Land - A toolkit for rural landholders. North Central Catchment Management Authority. 2025, 115p

Biolinks

What is the Great Eastern Ranges initiative? 4p pamphlet; for more see <https://ger.org.au/>

Campaspe-Maribyrnong headwaters biolink. Poster by Newham and District Landcare Group, 2007. Also at https://newhamlandcare.info/wp-content/uploads/2019/01/Biolink_poster_printversion-lowres.pdf

The Piper biolink. Broadford, DPI. Info sheet. 10p

For more see the member orgs of Biolinks Alliance at <https://biolinksalliance.org.au/our-network-members>

Report of the Central Victoria Biolinks Workshop, Castlemaine. Oct 2010. 37p

Connecting country: a biodiversity blueprint. Castlemaine, Friends of the Box Ironbark Forests, 2003. 44p

Securing our natural future: a white paper for land and biodiversity at a time of cultural change. Melbourne, DSE, 2009. 46p

Restoring landscapes across Mount Alexander: a biodiversity blueprint. Friends of the Box Ironbark Forest, 2008. 44p

Biodiversity. Folder with 14 leaflets. Australian Government Natural Resource Management Team, 2006

Our environment, our future: Sustainability action statement. East Melbourne, Vic Dept of Sustainability and Environment, 2006 88p

Land stewardship: 1. Stewards of the land: landholder perspectives on sustainable land management. 41p

2. Private investor needs for land stewardship management. 25p

3. Duty of care: an instrument for increasing the effectiveness of catchment management.

Vic Dept of Sustainability and Environment, 2003

The science of climate change: questions and answers. Canberra, Australian Academy of Science, Feb 2015. 31p <https://www.science.org.au/education/immunisation-climate-change-genetic-modification/science-climate-change>

Managing Climate Variability Program (8p) and *CliMag Climate Connect* no 11, June 2006

Guide to Victoria's parks, reserves and waterways. Parks Victoria, 2003. Out of print. 32p <http://parkweb.vic.gov.au/>

Thinking bush no.2: Thresholds in the landscape – a new tool for land managers. Land and Water Australia, 2003. 23p. <http://lwa.gov.au/> (funding ceased in 2009) 21p. 2 copies

The value of native vegetation: urban and rural perspectives. John Cory & Kathryn Williams. National Research and Development Project on Rehabilitation, Management and Conservation of Remnant Vegetation. Research report 3/00 PR600336. Canberra, Land and Water Australia, 2000, reprint 2003. 56p. <http://lwa.gov.au/>

Recreating the country: ten key principles for designing sustainable landscapes, by Stephen Murphy. 2nd rev.ed. em Press Publishing, 2024. 198p

Recreating the country: a blueprint for the design of sustainable landscapes, by Stephen Murphy. em Press Publishing, 2009. 149p. Website at <https://www.recreatingthecountry.com.au/>

Revegetation: what to plant, where and how in the Moorool Shire areas. Grow West, PPWCMA, nd. 60p

Victorian volcanic plains: native vegetation management guide. Colac, Corangamite CMA, nd. 7 pamphlets in folder

Melbourne principles for sustainable cities. United Nations Environment Programme, 2002. 2 copies

National local government biodiversity survey: executive summary. Australian Local Government Association, 2000

Managing the bush: recent research findings from the EA/LWRRDC National Remnant Vegetation R&D Program, by Jann Williams, RMIT. Canberra, Land and Water Resources Research and Development Corporation, 2000. Bushcare research report 4/00. 76p 2 copies

Conservation hindered: the impact of local government rules and State taxes on the conservation of native vegetation, by Carl Binning and Mike Young, CSIRO. Canberra, Environment Australia, 1999. Bushcare research report 3/99. 47p

Opportunity denied: review of the legislative authority of local governments to conserve native vegetation, by Emily Cripps et al, CSIRO. Canberra, Environment Australia, 1999. Bushcare research report 2/99. 133p

Beyond roads, rates & rubbish: opportunities for local government to conserve native vegetation, by Carl Binning et al. CSIRO. Canberra, Environment Australia, 1999. Bushcare research report 1/99. 147p

Motivating people: using management agreements to conserve remnant vegetation, by Carl Binning and Mike Young. Canberra, Environment Australia, 1997. Bushcare paper 1/97. 66p

Victoria's biodiversity: directions in management.

Victoria's biodiversity: sustaining our living wealth.

Victoria's biodiversity: our living wealth. DNRE, 1997

<https://www.environment.vic.gov.au/biodiversity/biodiversity-plan>

CD: Western Water environmental report. nd

DVDS

Dung beetle resource pack: nature's amazing regulators, compiled by Barbara Pearce, Lucyvale Better Beef Group, 2008. CD/DVD set (second set).

Our seeds: seeds blong yumi. Seed Savers, Byron Bay, 2008. 57 mins

The natural gardener: seeding the future: seed collection and cleaning for friends, Landcare and gardeners, presented by Judy Allen. 55 mins

The power of community: how Cuba survived Peak Oil. 2006. 53mins

Baghban – Ravid Chopra; Khabhi Khushi, Kabhie Ghem – Yash Johar. (Bollywood)

Ride Smart, ride safe. Yamaha/ATV Safety Institute. 38 mins

Fire

Three Chain Road Fire Risk Mitigation Action Plan. Macedon Ranges Shire Council, 2019. 77p plus maps. The plan sets out a range of roadside management actions aimed at mitigating fire risk while protecting and enhancing roadside conservation values along the length of Three Chain Road from Carlsruhe to Lancefield. This 47mb pdf is online only via www.mrsc.vic.gov.au/About-Council/Our-Council/Strategies-Plans/Three-Chain-Road-Fire-Risk-Mitigation-Action-Plan

The art of roadside burning, by Michael Rowe. 2015. Details at www.theartofroadsideburning.com/

CFA – see www.cfa.vic.gov.au/about/plan-and-prepare for lists of publications available online eg

On the land - Agricultural Fire Management Guidelines 2019, Fires on the farm 2019, Fire Ready Kit 2018

Landscaping for bushfire: garden design and plant selection. CFA 2016, & 2011. 64p. Also online as part of the Fire Ready Kit at <https://www.cfa.vic.gov.au/plan-prepare/how-to-prepare-your-property/landscaping>; links to an online *Plant selection key*

Riparian land and bushfire: resource document. Version 2. Report prepared by obliqua pty ltd for the Country Fire Authority and Department of Environment, Land, Water and Planning. CFA, 2017. Photocopy

Fire and biodiversity: manual for private landholders: a CFA Fire-Scape program resource. CFA, 2014. 52p

Fire ecology: guide to environmentally sustainable bushfire management in rural Victoria. Report prepared by obliqua pty ltd for the Country Fire Authority, 2011. 85p

Older publications: go to <https://www.cfa.vic.gov.au/> for any other resources

Prepare. Act. Survive. Fire ready kit. CFA. 40p and supplements; *Your bushfire survival kit* - booklets in folder; *On the land: agricultural fire management guidelines 2011*

Recovery after fire. Melbourne, DPI, 2009. 30p

Landscape after fire; Trees and Fires: a time for personal reflection, Dr Rod Bird, Sept 2009; article on erosion control

Fire in water catchments. Seminar 19/11/2008. Melbourne, Stretton Group. 28p

Building in a wildfire management overlay: applicant's kit 2007. CFA. 24p

General interest, Pamphlets and articles

The big storm. Kathy Mexted editor, Hepburn Shire Council, 2022 (2023 reprint). Photo illustrations

Successful tree planting guide for the Maribyrnong and Werribee catchments. Ian Taylor, Western Plains Flora, 2008, 2p Also online at <https://newhamlandcare.info/wp-content/uploads/2020/09/Successful-Tree-Planting-Guide.pdf>

Pamphlets in folder:

Sure Gro

Flora for fauna in gardens; Environest bird and mammal nest boxes

GM Crops: issues for farmers

Changes to the 1080 pest animal bait system
